*Featuring Theater of War Productions presentation of “END OF LIFE,” a thought-provoking theatrical event. This unique production explores end of life challenges faced by individuals, families, and the medical community dealing with illness, dying and caregiving. Director Bryan Doerries utilizes his unique facilitating skills to create discussions between the audience and the actors to promote awareness and understanding around the shared experiences of suffering and end of life decisions. You can view a powerful video clip at [theaterofwar.com](http://theaterofwar.com). This event is designed for the general public and health care providers. At 6 PM and after the production, you will participate in conversations with area authors, medical and palliative care providers who will be there to answer your questions, share information and relevant support services. Actors: David Strathairn and Zach Grenier*
