

## FREE CASH FOR COLLEGE WORKSHOP

Part 1 of Our College Financial  
Readiness Series

Join us for the first of two workshops for parents and their 9th – 12th grade students to start thinking about financing college. Learn important financial steps to follow now before filling out your financial aid forms! Parents and students will have the opportunity to plan ahead and be knowledgeable on **how to maximize your family's need for financial aid.**

### WHAT YOU WILL LEARN:

- Expert advice to help you complete the FAFSA and tips for *future* college-bound students
- How to update or change FAFSA information correctly
- Help parents to plan before filing their tax returns and why the 1040 return is the key item to FAFSA
- How FAFSA computes each family's contribution for college
- Know about the CSS PROFILE, the *private school* financial aid application

### WORKSHOP DATES:
