

FINDING SCHOLARSHIPS AND SAVING FOR COLLEGE

Part 1 of Our College Financial Readiness Series

What can you and your college-bound student do to afford the cost of college?

Learn important financial moves to make now, so your teen can afford to attend their dream school. Be prepared before the college acceptances and financial aid packages are on the table.

TOPICS WILL INCLUDE:

- What can your family realistically afford to spend for college?
- Creative ways to help save money for tuition
- How teens can apply for scholarships, work-study, and more
